

Who We Are

The City Heights Business Association is a nonprofit organization created in 2003 to enhance the growth and improvement of City Heights as an international marketplace, to create partnerships between businesses and property owners that promote economic revitalization and combat deterioration in the community, and to administer the City Heights Business Improvement District and the City Heights Maintenance Assessment District.

“The mission of the City Heights Business Association is to help build a vibrant community by stimulating commerce and promoting City Heights as an international marketplace.”

Get Involved

Board of Directors: The City Heights Business Association is governed by a 13 member board of directors composed of business and property owners within the City Heights Business Improvement District and the City Heights Maintenance Assessment District. Board meetings are open to the public and take place the second Wednesday of every month at 11 am.

Clean & Safe Committee: The Clean and Safe Committee meets the first Wednesday of every month at 10 am. Representatives from local organizations, government agencies, businesses and residents share information and work together in order to address issues related to maintenance and safety.
